WELCOME!

ASA Girls' Class A & B 10-Under Fast Pitch Northern National Championship

On behalf of Visit Topeka Inc., it is an honor to host the ASA Girls' Class A & B 10 and Under Fast Pitch Northern National Championship at our beautiful Hummer Sports Park and Felker Park. We extend a warm, Topeka welcome to all of you.

During your visit, please take time to enjoy the Capitol City of Kansas. If "green" is your thing, check out the wonderful Topeka Zoo or one of the 100+ parks you will find here. We also have incredible biking, walking or hiking paths within and surrounding our city. Our cultural heritage is displayed at many attractions and sites throughout Topeka. Authentic sites that tell the story our City played in the Underground Railroad such as the Ritchie House and sites that showcase the continuation of that story such as the Brown v Board of Education National Parks Site, Constitution Hall, the Kansas Museum of History and our state Capitol building. You will find that Topeka played an incredible part in the pathway to Freedom's Frontier.

Today, you will be pleasantly surprised to find that Topeka has great shopping, dining, live theater and many great recreational opportunities to melt your stress away and enhance your overall experience of Topeka.

We hope you have time to discover and experience what Topeka has to offer. If not this time, we invite you back for a longer visit soon.

Good luck teams! May this championship create new and lasting memories of both your tournament and your time in Topeka.

Sincerely,

Olivia Simmons
President/CEO
